

**2021 National Hurricane Conference
Certificate and Reserved-Seating Courses Registration**

Hilton Riverside, New Orleans

June 14-15, 2021

Attendee Name: _____

Attendee Email: _____

Date Registered: _____

EMI certificate courses are offered at the 2021 National Hurricane Conference on a first- come, first-served basis to registered attendees of the National Hurricane Conference. You must attend the entire session to earn an EMI certificate so make sure that you will be available to attend the entire session (1 or 2 days) before signing up.

For questions, or to submit your registration for one of the following four (4) EMI sponsored courses, please contact Mike Vincent (850) 906-9224 x 108 or Mike@HurricaneMeeting.com.

Upon confirmation from Mike Vincent that you have a reserved seat in one of the FEMA-EMI courses, you will also be required to complete and sign a General Admissions Application Form (FF-USFA-FY21-101) [General Admissions Application Form](#) which can be presented on the first day of the class. You will need to include your SID# (student identification #) on your application form.

If you don't already have an SID, you may register at: <https://cdp.dhs.gov/femasid>. Click on the "Create Account" button on the left side of the screen. Follow the instructions and provide the necessary information to create your account. If you need assistance, please email femasidhelp@cdpemail.dhs.gov or call 866-213-9699. This Help Desk is open from 7:30 a.m. – 4:30 p.m. (CST).

EMI Course Certificates will be emailed directly by NETC-EMI Admissions to those who successfully complete the course using the email address listed on their General Admissions Application form. Certificates can take approximately 6-8 weeks following the course completion.

Emergency Management Institute (EMI) Sponsored Courses:

#1 L0202 Debris Management Planning for State, Tribal, Territorial and Local Officials

One Session:

Monday, June 14, 2021 8:30 am to 5:00 pm through Tuesday, June 15, 2021, 8:30 am to 5:00 pm (40 pp max)

Course Goal: This **2-day** course provides an overview of issues and recommended actions to prepare for, respond to, and recover from a major debris-generating event (with emphasis on state and local responsibilities).

Target Audience: The course is intended for local, state and federal personnel who are responsible for planning and/or implementing debris removal and disposal.

#2 L0419 Emergency Assistance Shelter Field Guide Training for States and Local Communities

Two Sessions:

Session 1 - Monday, June 14, 2021 8:30 am to 5:00 pm (30pp max)

Session 2 -Tuesday, June 15, 2021, 8:30 am to 5:00 pm (30 pp max)

Course Goal: This **1-day** Mass Care/Emergency Assistance course is designed to train faith-based groups, non-profit organizations, government partners, and private industry in the best practices for shelter operations. Participants will learn how to use the Shelter Field Guide to open, operate and close a shelter, identify the seven different roles involved in sheltering, prepare for shelter operations and be able to explain the resources available to shelters. There will be some time at the end to address questions on the impact of COVID-19 on shelter operations”

Target Audience: The primary audience for this training includes faith-based groups, non-profit organizations, government partners, and private industry that may have responsibility for shelter operations.

#3 L0956 NIMS ICS-Liaison Officer

One Session:

Monday, June 14, 2021 8:30 am to 5:00 pm through Tuesday, June 15, 2021, 8:30 am to 5:00 pm (30 pp max)

Course Goal: This **2-day** course goal of this professional development course, E/L 956 All-Hazards Liaison Officer, is to provide federal, state, and local-level emergency responders

with an overview of key duties and responsibilities of a Liaison Officer (LOFR) in a Type III Incident Management Team (AHIMT).

Target Audience: This course is intended audiences for this course are federal, state, and local level emergency responders who may be designated as LOFRs on their local, regional, or state Incident Management Team (IMT). The materials were developed with the assumption that audience members may have little or no actual experience as a member of an AHIMT.

The audience may also include students from a variety of agencies and functional disciplines, including but not limited to fire service, law enforcement, emergency management, public works departments, as well as public health organizations, medical emergency teams, and hospitals.

National Incident Management System (NIMS) Incident Command System (ICS) position-specific training should be completed by personnel who are regularly assigned to positions of function, support, or unit leader on an AHIMT, or by those persons who desire to seek qualification for those positions.

Prerequisites: Students will submit copies of their certificates for the following courses when submitting their application:

- IS-100 Introduction to the Incident Command System, ICS 100
- IS-200 Basic Incident Command System for Initial Response, ICS 200
- E/L/G 0300 Intermediate Incident Command System for Expanding Incidents, ICS 300
- E/L/G 0400 Advanced Incident Command System for Complex Incidents, ICS 400
- IS-700 An Introduction to the National Incident Management System
- IS-800 National Response Framework (NRF), An Introduction

CEUs: 1.3

#4 L0191 Emergency Operations Center/Incident Command System Interface

Two Sessions:

Session 1 - Monday, June 14, 2021, 8:30 am to 5:00 pm (30 pp)

Session 2 - Tuesday, June 15, 2021, 8:30 am to 5:00 pm (30 pp)

Course Goal: The goal of this **1-day** professional development course, E/L/G 0191 Emergency Operations Center/Incident Command System Interface, is to enable the students to develop an effective interface between the Incident Command/Unified Command and the Emergency Operations Center by applying National Incident Management System principles.

Target Audience: This course is intended for federal, state, tribal, territorial, local level, private industry, volunteer and nongovernmental emergency management personnel who are active in a community's ICS and EOC activities.
