## H-E-B Director of Emergency Preparedness

Justen Noakes has had the honor of working at H-E-B for 29 years, the past 18 in Emergency Management. Over those 18 years, he has responded to over 20 presidentially declared disasters, including Hurricane Harvey and the COVID-19 Pandemic. With H-E-B, he is responsible for company-wide mitigation, planning, response, and recovery programs for all natural and manmade business interruption incidents for 140,000 employees, 360 grocery retails stores, 30 warehouse and manufacturing facilities and 30 corporate sites across the State of Texas. Several of his professional recognitions and affiliations are: Governor Appointed Business Advisory Council to The Texas Division Of Emergency Management, Governor Appointed Private Sector Advisory Council to Texas Department of Public Safety, Texas Division of Emergency Management Advisory Committee (TEMAC), and many more.
