MEDIA POLICY

Journalists who work for print or broadcast media and intend to “cover the story” for their organization may register as media for no charge. These individuals are expected to conduct interviews, shoot footage, etc. They will not receive Professional Development Hours from the conference as they are not “attending the conference as students,” but are instead covering the conference as journalists.

Individuals who work for print or broadcast media and want to “cover the story,” but also want to attend the sessions as students and receive Professional Development Hours, are expected to pay a reduced registration fee of \$300. Fax your registration form to 850-906-9224 and mark "Media Registration" on the form.

Individuals who work for print or broadcast media and want to attend the sessions as students only, must pay the full registration fee in effect at the time.
